Professional Summary

I am a passionate and skilled Web Developer with 7 years of experience, specializing in WordPress. Eager to contribute my expertise in website creation, maintenance, and integration with CRM systems. Seeking a challenging role where I can leverage my skills and knowledge to drive innovative projects, learn new web technologies, and elevate my professional standing. Excited to collaborate on diverse ideas and deliver impactful solutions in a dynamic work environment.

Employment History

Web Developer, Paradiso Solutions, Pune

02/2021 - Present

- As a current employee at Paradiso Solutions, I bring 2 years and 10 months of valuable experience to the marketing department.
- In this role, I have been instrumental in the creation and maintenance of websites, showcasing my commitment to delivering high-quality digital assets.
- My expertise extends to seamlessly integrating the Freshsales API into our platforms, fostering efficient communication and streamlined processes within the team.
- Moreover, I have demonstrated a keen eye for design by translating XD mockups into dynamic landing pages, ensuring a visually appealing and user-friendly online presence.
- Rigorous responsive testing has been a significant aspect of my responsibilities, guaranteeing optimal user experiences across diverse devices.

Web Developer, Strata Digital Geeks, Pune

10/2018 - 01/2021

- I actively contributed to the creation and customization of responsive websites.
- I specialized in developing custom themes and plugins, significantly improving user experiences and optimizing overall site performance.
- My role involved close collaboration with clients, where I effectively translated their unique requirements into visually appealing and functional WordPress solutions.

Jr. PHP Developer, Predrag Systems, Pune

06/2016 - 09/2018

- I actively contributed to the creation and customization of responsive websites.
- I specialized in developing custom themes and plugins, significantly improving user experiences and optimizing overall site performance.
- My role involved close collaboration with clients, where I effectively translated their unique requirements into visually appealing and functional WordPress solutions.

Education

Bachelor of Engineering(ENTC), SRTMUN, Nanded

06/2011 - 11/2015

Higher Secondary Certificate, Maharashtra Board, Nanded

06/2010 - 06/2011

Secondary School Certificate, Maharashtra Board

Achivements

1. **Integration Expertise:** Successfully integrated the Freshsales API into platforms at Paradiso Solutions, enhancing communication and streamlining processes.

2. **Design Implementation:** Translated XD mockups into dynamic landing pages, ensuring visually appealing and user-friendly online presence.

3. **Responsiveness Testing:** Conducted rigorous responsive testing across various devices.

4. **Custom Theme and Plugin Development:** Specialized in developing custom themes and plugins, significantly improving user experiences.

5. **Client Collaboration:** Actively collaborated with clients to translate unique requirements into visually appealing and functional WordPress solutions.

6. **Website Creation from Scratch:** Successfully created the website paradisolms.net from scratch, demonstrating comprehensive web development understanding.

7. **Optimization through WP Rocket:** Implemented and configured the WP Rocket plugin to enhance website performance and loading times.

8. **Page Builder Utilization:** Proficient in leveraging popular WordPress page builders, such as Elementor, Divi, Visual Composer, SiteOrigin Page Builder, and Beaver Builder. Successfully utilized the Elementor page builder to create dynamic and visually appealing web pages.

9. **Training and Mentorship:** Played a key role in mentoring junior WordPress developers, providing comprehensive instruction in fundamental areas such as theme customization, CSS, JavaScript, and the integration of XD designs into WordPress page development.
